Start a new era in hospitality with The Russian Travel Awards!

Become a leader in the Russian and CIS market and increase your hotel's global visibility. Get in touch with your vendors immediately.

"Russian Travel Awards (RTA) is an innovative B2B communication platform that connects travel agencies in Russia and CIS countries with distinguished hotels."

How does The Russian Travel Awards provide service?

RTA brings together thousands of travel agency employees in Russia and CIS countries with upscale hotels in popular destinations.

The platform is designed for direct communication between agency employees in the CIS market and hotels, aimed at increasing hotel bookings, enhancing visibility, and creating sustainable partnerships in the tourism sector.

By maximizing your hotel's potential, it allows you to connect directly with agencies in your target market.

"Russian Travel Awards is a platform that provides 360-degree communication between Agencies and Hotels."
